

## TEAM OF EXPERTS

### STEPHEN BENNETT

Editor Stephen Bennett, a longtime business reporter, covers operations and marketing; trade associations and regulations; research and development by vendors and by Brookhaven National Laboratory, the National Oilheat Research Alliance, and the Oil Manufacturers Association; and dealers' diversification into propane and other businesses. Bennett is based in Connecticut.

### DAVE CAMPBELL

Dave Campbell is the associate publisher who handles ad sales for New England, the Middle Atlantic region as well as Canada and Europe. Dave is now entering his third decade on Fuel Oil News.

### SHANE SWEET

Shane Sweet has a long history in the fuels markets. Currently the executive and technical director for the New York State Propane Gas Administration, he previously has been an energy and management consultant, a partner in a law firm, served as president & CEO of the New England Fuel Institute from 2007-11 and the EVP/director and lobbyist for the Vermont Fuel Dealers Association from 1993-2007

### MARCI GAGNON

Marci Gagnon is vice president of strategic alliances for Qualpay, which provides processing solutions to fuel delivery and service businesses. For additional information contact Marci Gagnon at [marci@qualpay.com](mailto:marci@qualpay.com) or visit <https://www.qualpay.com/industry/utility-and-energy>.

### GEORGE LANTHIER

George Lanthier is the owner of Firedragon Academy, a Massachusetts Certified School teaching both gas and oil heating and is a publishing firm. He is the author of over 60 books and manuals on gas and oil heating and HVAC subjects. He is a CETP, NATE, NORA, PMAA and PMEF Proctor and a

Massachusetts Certified Instructor.

### JEFF SIMPSON

Jeffrey Simpson is managing member of Notch Capital ([www.notchcap.com](http://www.notchcap.com)), a private investment firm that partners with founder- and family-owned fuel distribution, HVAC and home services companies. Notch Capital invests private capital for majority business purchases and equity recapitalizations. Simpson can be reached at [jsimpson@notchcap.com](mailto:jsimpson@notchcap.com) and (860)299-3358.
